

Voice of the Parent - July 2021

When analysing the 'Parent Exit Questionnaires' at the end of the academic year 2020/21, the following information was gathered:

- 100% of parents agreed that their child was happy at school;
- 100% of parents agreed that their child was safe at school;
- 100% of parents agreed that their child was taught well at school;
- 100% of parents agreed that the school was well led and managed;
- 100% of parents agreed that the school provided opportunities for them to support their child's learning;
- 100% of parents agreed that the school provided opportunities for them to discuss their child's progress; and
- 100% of parents agreed that the team were friendly and welcoming.

Here are a selection of comments from Parents about our School:

"I can't thank the nursery and all staff enough, you have all done amazing especially during the pandemic to keep life as normal as possible for kids and keep them learning".

"I'm very happy with the nursery team and think they have helped my child a lot. Would definitely recommend to others".

"Ashmore Park Nursery is an amazing school. All three of my children have gone there and would definitely recommend sending children there. All staff are so kind, professional and no question is an inconvenience to them, they will help you with all your needs".

"There hasn't been a member of the Ashmore Park team that hasn't been helpful, informative and friendly, throughout my son's time there. A truly amazing nursery".

"My child has grown in confidence, learnt so much and every day comes home and tells me something new that she has learnt that day".
