

BAD WEATHER PROCEDURES

As snow has been forecast for the first time this year, I thought I would remind you what happens if it is necessary to close the school. You will find out by listening to the local radio, by using the 'Wolverhampton Today' Facebook page or the Wolverhampton City Council website. We also have the texting service and therefore, I would send you all a text informing you of the closure of the school. It is important for you to ensure that we have your most up to date and correct mobile number on file in school.

Also, if you bring your child to school wearing wellington boots then please bring a pair of shoes for them to change into. Wellies are uncomfortable for the children to wear all session and particularly when sitting during story/group time.
